## PROCLAMATIONS

[L.S.]

C. WALLACE,  
*Lieutenant-Governor.*

## CANADA:

## PROVINCE OF BRITISH COLUMBIA

GEORGE THE SIXTH, by the Grace of God, of Great Britain, Ireland, and the British Dominions beyond the Seas, KING, Defender of the Faith.

*To all to whom these presents shall come—*  
GREETING.

E. T. KENNEY, *Minister of Lands and Forests.* { WHEREAS by section 50 of the "Water Act" it is provided that the Lieutenant-Governor in Council may incorporate a tract of land and the owners thereof into an improvement district:

And whereas the Lieutenant-Governor in Council has, by Order in Council made pursuant to the said Act, been pleased to order that the tract of land hereinafter described and the owners thereof be incorporated into an improvement district under the said Act, and has made further provision to the tenor and effect hereinafter appearing:

NOW KNOW YE that by these presents We do hereby order and proclaim:—

1. The tract of land in the Kootenay Land District and the Nelson Land Registration District comprising those parts of Township 27, Range 22, west of the 5th meridian, more particularly described as Section 12, excepting thereout Blocks A, B, and D of Registered Plan 469, the area shown on Registered Plan 1800 and the part of Section 12 lying south of the area shown on Registered Plans 469 and 1800; the North-west Quarter of Section 13; the South Half of Section 13; the Fractional North-east Quarter of Section 14; the Fractional South Half of Section 23 lying east of the Columbia River and west of the Canadian Pacific Railway right-of-way; and the parts of Sections 23 and 24 shown on Registered Plan 1575, and all subdivisions of the said tract or any part thereof and all owners of land therein are incorporated into an improvement district under the "Water Act" and subject to the provisions thereof and to the conditions hereinafter contained.

2. The said improvement district shall be known as the "Golden Fire Protection District."

3. The objects of the said improvement district shall be the provision of fire-protection and street-lighting, and the acquisition, maintenance, and operation of works, buildings, and equipment for those purposes and all things incidental thereto.

4. There shall be three Trustees of the said improvement district.

5. The persons qualified to vote at the first election of Trustees shall be Canadian citizens who are twenty-one years of age or older and are entitled to be registered as voters under the "Provincial Elections Act" and are owners of land in the tract of land hereinbefore described, and the persons qualified to be candidates at the said election shall be the persons qualified as aforesaid to vote and their wives and husbands.

6. A. W. Anderson, Golden, B.C., shall be the Returning Officer for the first election of Trustees. He shall call a general meeting of the persons who are qualified as aforesaid to vote and shall, at least seven days before the date of the said meeting, post at the nearest post-office and at two other conspicuous places within the area hereinbefore described a notice signed by him giving the date, time, and place of holding the said meeting. The Returning Officer shall be chairman of the said meeting, and subject to the provisions of clause 5 he shall have power to determine whether or not any person who desires to vote is qualified to do so. He shall have power to determine the procedure to be followed at the said meeting and the method of taking the votes. Each qualified voter shall be entitled to cast one vote for each of three candi-

dates. The Returning Officer shall declare the result of the election and shall notify the Comptroller of Water Rights of the said result.

7. The candidate elected as Trustee for whom the greatest number of votes is cast at the general meeting called pursuant to clause 6 hereof shall hold office until the annual general meeting of 1953, the candidate elected for whom the second greatest number of votes is cast shall hold office until the annual general meeting of 1952, and the candidate elected for whom the third greatest number of votes is cast shall hold office until the annual general meeting of 1951, but should there be nominated no more than three candidates for the office of Trustee, or should any two or more candidates receive an equal number of votes, then the Returning Officer shall have power to and shall declare which of the candidates are elected and which shall hold office until the next, the second, and the third succeeding annual general meetings respectively.

8. All subsequent elections of Trustees shall be held at the annual general meetings of the improvement district, and it shall be the duty of the Trustees to call a general meeting to be held between January 1st and May 1st in each year for the following purposes:—

- (a) To receive from the Trustees a report on condition of the works and a statement of the financial condition of the improvement district;
- (b) To discuss with the Trustees any matter relating to the works or finances of the improvement district;
- (c) To fix the remuneration of the Trustees for the ensuing year;
- (d) To elect a Trustee to succeed the one whose term of office expires coincident with the holding of such annual general meeting and to elect a Trustee or Trustees to fill any other vacancy or vacancies that has or have occurred or is or are about to occur among the Trustees;
- (e) To choose the auditor for the ensuing year.

A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discussing with the owners any matter or matters which in the opinion of the Trustees should be brought up at a general meeting.

At least seven days' notice of every general meeting shall be given by notices posted up in conspicuous places at the nearest post-office and at the building where the meeting is to be held.

The secretary shall enter in a book provided by the Trustees for this purpose minutes of all matters brought before the meeting and the action taken thereon. At any general meeting every person shall be qualified to vote who is a Canadian citizen and is twenty-one years old or older and is an owner of land in the improvement district, or the authorized agent of any board or corporation that is an owner of such land, or legal representative of any owner of such land who has died, become insolvent, or insane, and is entitled to be registered as a voter under the "Provincial Elections Act." Every person qualified as aforesaid to vote and wife or husband of any such person shall be qualified to be a candidate for Trustee of the improvement district. In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Comptroller of Water Rights a true copy of the minutes of such meeting and copies of all auditor's reports and financial statements presented or discussed at the meeting.

9. All words and phrases given special meaning in section 2 of the "Water Act" shall, where used herein, be ascribed the meaning given them in the said section, unless the context otherwise requires.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, His Honour CLARENCE WALLACE, Lieutenant-Governor of Our said Province, in Our City of Victoria, this sixteenth day of October, in the year of our Lord one thousand nine hundred and fifty, and in the fourteenth year of Our Reign.

By Command.

W. H. FORREST,

1782-oc19 Assistant Deputy Provincial Secretary.

### COURTS OF ASSIZE.

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that, under the provisions of the "Supreme Court Act," chapter 73 of the "Revised Statutes of British Columbia, 1948," sittings of the Supreme Court for the transaction of the business of Courts of Assize, Nisi Prius, Oyer and Terminer, and General Gaol Delivery be held at the Court-house, at 11 o'clock in the forenoon, at the places and on the dates as follows:—

#### 1950—FALL ASSIZES.

Revelstoke, Thursday, October 26th, 1950—Criminal and Civil.

Kamloops, Monday, October 23rd, 1950—Criminal and Civil.

Cranbrook, Wednesday, November 15th, 1950—Criminal and Civil.

Nelson, Monday, November 20th, 1950—Criminal and Civil.

And that sittings of the Supreme Court for the transaction of the business of Courts of Assize, Nisi Prius, Oyer and Terminer, and General Gaol Delivery be held at the Court-house, at 2.30 o'clock in the afternoon, at the places and on the dates as follows:—

#### 1950—FALL ASSIZE.

Vernon, Monday, October 30th, 1950—Criminal and Civil.

## DEPARTMENT OF LABOUR

### "FACTORIES ACT"

PURSUANT to the provisions of section 34 of the "Factories Act," chapter 115 of the "Revised Statutes of British Columbia, 1948," His Honour the Lieutenant-Governor in Council has been pleased to amend the regulations made pursuant to the provisions of said Act by Order in Council No. 139, approved February 5th, 1935, as amended, by adding to the title of said regulations on page 1, after the word "Elevators," the words "Dumb-waiters, and Moving Stairways"; and by adding thereto under the heading "Definitions" the following:—

"Dumb-waiter. — A hoisting and lowering mechanism equipped with a car, which moves in guides in a substantially vertical direction, the floor area of which does not exceed nine (9) square feet, whose compartment height does not exceed three (3) feet six (6) inches, the capacity of which does not exceed five hundred (500) pounds, and which is used exclusively for carrying freight.

"Electric Dumb-waiter.—One in which the motion of the car is obtained through an electric motor directly applied to the dumb-waiter machinery.

"Moving Stairways.—A moving, inclined, continuous stairway, or runway, used for raising and lowering passengers.

"Man-lifts.—A man-lift is a device consisting of an endless belt travelling over fixed pulleys at the top and bottom limits of travel, with the belt carrying steps and hand holds so arranged that a person may ride."

Parts 5 and 6 are added, as follows:—

#### "PART 5

#### "MOVING STAIRWAYS

#### "MOVING-STAIRWAY CONSTRUCTION

##### "Rule 1—Angle of Inclination

"The angle of inclination of moving stairways shall not exceed thirty degrees (30°) from the horizontal.

##### "Rule 2—Width

"Moving stairways shall be not less than twenty-two (22) inches nor more than forty-eight (48) inches wide between the balustrading measured on the incline at a height of thirty (30) inches vertically above the nose-line of the steps. In no case shall such width exceed the width of the steps by more than thirteen (13) inches.

##### "Rule 3—Balustrading and Handrails

"(a) Moving stairways shall be provided on each side with solid balustrading. On the step side, the balustrading shall be smooth, without depressed or raised panelling or moulding, except for necessary protective mouldings parallel to the run of the steps and vertical mouldings projecting not more than one-quarter ( $\frac{1}{4}$ ) inch and properly bevelled, and used to cover joints of panels.

"(b) Where glass panels are used in balustrading, they shall be tempered-type glass.

"(c) The clearance between the step-treads and the balustrading (curtain-guard) shall not exceed one-eighth ( $\frac{1}{8}$ ) inch.

"(d) There shall be no abrupt change in the width between the balustrades, and any change shall be not more than eight (8) per cent of the greatest width.

"In changing from the greater to the smaller width, the change in the direction of the balustrading shall be not more than fifteen degrees (15°) from the line of travel.

"Each balustrading shall be equipped with a handrail moving at substantially the same speed and in the same directions as the travel of the steps.

"(e) Each moving handrail shall extend at normal handrail height not less than twelve (12) inches beyond the line of the comb-plate teeth at the upper and lower landings, except that for speeds of seventy-five (75) f.p.m. or less, and a width of thirty (30) inches or less, the handrail extension may be stationary.

"(f) Hand or finger guards shall be provided at the point where the handrail enters the balustrading.

"(g) Where the intersection of the outside balustrade (deck board) and the ceiling or soffit is within twenty-four (24) inches of the centre line of the handrail, a guard of solid construction shall be installed in the intersecting angle.

"The vertical face of the guard shall project at least fourteen (14) inches measured horizontally from the apex of the angle.

"The exposed edge of the guard shall be rounded to eliminate shear-hazard. Guards may be made of glass if of the shatter-proof type.

##### "Rule 4—Treads and Landings

"(a) Step frames and treads shall be of incombustible material. Step-treads shall be horizontal and of a material and design affording a secure foothold.

"Exception.—Slow-burning material may be used for treads, provided they are covered on the under-side with sheet metal not less than No. 27 U.S. gauge.

"(b) The depth of any step-tread in the direction of travel shall be not less than fifteen and three-quarters ( $15\frac{3}{4}$ ) inches, and the rise between treads shall not exceed eight and one-half ( $8\frac{1}{2}$ ) inches. In no case shall the width of a step-tread be less than sixteen (16) inches.

"(c) The maximum clearance between treads on the horizontal run shall be one-eighth ( $\frac{1}{8}$ ) inch.

"(d) The tread surface of each step shall be slotted in a direction parallel to the travel of the steps. Each slot shall be not more than one-quarter ( $\frac{1}{4}$ ) inch wide and not less than three-eighths ( $\frac{3}{8}$ ) inch deep, and the distance from centre to centre of adjoining slots shall be not more than three-eighths ( $\frac{3}{8}$ ) inch.

"(e) There shall be a comb-plate at the entrance and exit of every moving stairway. The comb-plate teeth shall be meshed with and set into slots in the surface of the tread, so that the points of the comb-teeth are always below the top surface of the treads.

"(f) Comb-plates shall be adjustable in both the horizontal and vertical directions.

"Sections forming the comb-plate teeth shall be so arranged as to be readily replaceable without the use of special tools.

#### "Rule 5—Strength of Trusses or Girders

"The truss or girder shall be so designed that it will safely sustain the steps and running-gear in case of failure of the track system to retain the running-gear in its guides.

#### "Rule 6—Track Arrangement

"The track arrangement shall be designed to prevent displacement of the steps and running-gear if a step-chain breaks.

#### "Rule 7—Capacity and Loading

"The contract load, in pounds, shall be computed by the following formula:—

$$\text{Contract Load} = 4.6WA$$

"In this formula, W is the width of the moving stairway in inches and A the horizontally projected distance in feet between the upper and lower comb-teeth.

#### "Rule 8—Factors of Safety

"The factors of safety to be used in the design of moving stairways shall be at least the following, based on the static loads:—

"(1) For trusses and all structural members, including tracks, five (5):

"(2) For moving-stairway driving-machines:—  
For steel or bronze, eight (8):

For cast iron, or other materials, ten (10).

"(3) For power transmission members, ten (10), except step-chains composed of cast-steel links which shall be thoroughly annealed, in which case the factor of safety shall be twenty (20).

### "PART 5A

#### "SAFETY REQUIREMENTS

##### "Rule 1—Limits of Speed

"The rate of travel of the steps measured along the angle of inclination shall not exceed one hundred and twenty-five (125) f.p.m. except that higher rates of travel may be permitted, subject to the approval of the administrative authority.

##### "Rule 2—Application of Power

"An electric motor shall not be used as a driving means for more than one moving stairway. The drive-machine shall be connected to the main drive-shaft by toothed gearing or a coupling, or shall be connected by a chain. Cast-iron pinions shall not be used.

##### "Rule 3—Safety Devices

"The following safety devices shall be provided:—

"(a) An emergency stop-button or other type of switch marked 'Stop Button' or 'Stop Switch' shall be conspicuously located in a readily acces-

sible position, at or near the top and bottom landing of each moving stairway, and shall be guarded against accidental contact. The operation of either one of these buttons or switches shall cause the interruption of power to the drive-machine. It shall be impossible to start the drive-machine by means of these buttons or switches.

"(b) Starting buttons or switches shall be located within sight of the moving stairway and shall be of the key-operated type.

"(c) A speed-governor shall be provided which will cause the interruption of power to the drive-machine in case the speed of the steps exceeds a predetermined value, which shall be not more than forty (40) per cent in excess of the normal running speed.

"(d) A broken step-chain device shall be provided that will cause the interruption of power to the drive-machine in case a step-chain breaks, and, where no automatic chain-tension device is provided, in case excessive sag occurs in either step-chain.

"(e) Where tightening devices operated by means of tension-weights are provided for any purpose, provision shall be made to retain these weights in the truss in case the weights should fall.

"(f) Each moving stairway shall be provided with an electrically released, mechanically applied brake of sufficient power to stop it when fully loaded.

"This brake shall automatically stop the moving stairway when operating or tending to operate in the descending direction in case any of the above safety devices function.

"(g) If the drive-machine is connected to the main drive-shaft by a chain, a device shall be provided which will cause the application of a brake on the main drive-shaft in case the drive-chain parts.

##### "Rule 4—Lights and Access

"Permanent artificial lighting shall be provided in every machine-room. The lighting-switch shall be so located that it can be operated without passing over or reaching over any part of the machinery.

"Reasonable access to the interior of the moving stairway shall be provided for inspection and maintenance.

"Step-treads shall be illuminated throughout their entire run. The light intensity on the tread-surfaces shall be not less than two (2) foot-candles.

"NOTE.—It is desirable that the illumination be uniform intensity and that it should not vary materially from that of the surrounding area.

##### "Rule 5—Tests

"Each type and size of moving stairway shall be type-tested for the contract load which it is designed to carry. Such tests may be made at the option of the manufacturer in his plant or on the first moving stairway of that type and size installed in a building. In case the rise for a given type and width exceeds by more than five (5) feet the rise for which that type and width has been tested, type test shall be made for the higher rise.

"All installations made subsequent to the type tests shall be tested in the field without load.

"The following tests shall be made:—

"(1) *Speed Test.*—The application of the over-speed safety device shall be obtained by causing the moving stairway to travel at governor tripping speed as specified in Rule 3 (d), Safety Requirements, except where an alternating-current driving-motor is used, the governor switch may be tripped by hand at normal speed.

"(2) *Broken Step-chain.*—The application of the broken step-chain device called for in Rule 3 (e), Safety Requirements, shall be obtained by operating the actuating device by hand.

"(3) *Broken Drive-chain.*—The broken drive-chain device called for in Rule 3 (h), Safety Requirements, where a drive-chain is provided, shall be tested by operating the actuating device by hand.

“(4) *Stop-buttons.*—The emergency stop-buttons called for by Rule 3 (a), Safety Requirements, shall be tested by operating these buttons when the moving stairway is operated in each direction of travel.

“ PART 6

“ POWER DUMB-WAITERS

“ HOISTWAY CONSTRUCTION

“ Rule 1—Power Dumb-waiter Hoistways

“(a) The hoistways of power dumb-waiters shall be enclosed from floor to ceiling.

“ *Exception.*—Under-counter dumb-waiter hoistways at the top terminal landing need be enclosed only to the top of the hoistway.

“(b) The hoistway enclosures shall be building walls, partitions, grillework, grating materials, or wood. Where wire or grating work is used, it shall reject a one (1) inch ball and the wire shall be three thirty-seconds ( $\frac{3}{32}$ ) inch or more in diameter. Where vertical wood slats are used, they shall be one (1) inch thick with spaces between them of not more than one (1) inch.

“ *Exception.*—Adjacent to the counter-weight runway, no grillework, gratings, or spaced slats shall be permitted unless backed by sheet metal or wood without holes.

“(c) There shall be no thoroughfare under the hoistway of a dumb-waiter or its counter-weight unless there is a structure under the hoistway sufficiently strong to withstand without failure the impact of the car with contract load, or the impact of the counter-weight, when either is dropped freely in its guides from the upper limit of overtravel; provided that for cars or counter-weights equipped with governor-operated safeties, the impact shall be computed for governor tripping speed. When broken rope safeties are used, the impact of the car or counter-weight shall be computed for a free drop of the car or counter-weight from one-third ( $\frac{1}{3}$ ) its travel.

“ Rule 2—Doors Required on Power Dumb-waiter Openings

“(a) Landing openings in power dumb-waiter enclosures shall be equipped with doors.

“(b) Hoistway-doors for power dumb-waiters shall be equipped with electric contacts and locks which will prevent the operation of the machine while any hoistway-door is open and prevent the opening of the door unless the car is at the landing.

“ Rule 3—Machine-supports

“(a) Power dumb-waiter machines may be hung underneath the supporting beams at the top of the hoistway.

“ Rule 4—Platforms under Machinery

“(a) A flooring or platform is not required at the top of power dumb-waiter hoistways below the idler or deflector sheaves.

“(b) Guards or cradles for the idlers or deflector sheaves at the top of power dumb-waiter hoistways are not required.

“ DUMB-WAITER CONSTRUCTION

“ Rule 5—Car Construction

“(a) Power dumb-waiter cars shall be of such strength and stiffness that they will not deform appreciably if the load leans or falls against the sides of the car.

“(b) Cars shall be made of wood, fire-proofed wood, or metal, reinforced at the point of suspension. Metal cars, if sectional, shall be rigidly riveted, welded, or bolted together. Cars may be provided with hinged, removable, or movable shelves and also may have such other sectional parts as are desired.

“(c) Cars shall not exceed nine (9) square feet in horizontal area, and the compartment height shall not exceed three (3) feet six (6) inches.

“(d) Power dumb-waiter cars, machines, and suspension means shall be at least capable of sustaining the loads given in the following table, but the motive power may be insufficient to raise the structural capacity load.

“ Minimum Allowable Dumb-waiter Capacities Corresponding to Effective Platform Area

Horizontal Area (Sq. Ft.)	Structural Capacity (Lb.)
4	100
5	150
6.25	300
9	500

“(e) A metal plate bearing the name of the manufacturer and the contract load shall be placed in a conspicuous place in the dumb-waiter car.

“ Rule 6—Power Dumb-waiter Machines

“(a) Power dumb-waiter machines shall be securely fastened to their supports. The factors of safety based upon the ultimate strength of the material and the contract load, plus the weight of the car, suspension means, counter-weights, and similar apparatus to be used in the design of power dumb-waiter machines shall be at least six (6) for steel and nine (9) for cast iron or other materials.

“(b) The suspension of sheaves or idlers in cast-iron stirrups from the under-side of the supporting beam is forbidden.

“ Rule 7—Guides

“(a) Guides shall be of wood or metal.

“(b) Guides shall be rigidly secured to the hoistway and the joints of metal guides either tongued and grooved or dowelled and fitted with splice-plates. Joints in wood guides shall be tongued and grooved or dowelled and screwed to backing pieces or brackets.

“(c) One set of guides may be used for both the car and counter-weight.

“ Rule 8—Counter-weights

“(a) Sections of counter-weight for power dumb-waiters having a capacity exceeding one hundred (100) pounds or having a speed exceeding one hundred (100) f.p.m. shall be secured by at least two (2) tie-rods passing through holes in all sections unless suitable counter-weight frames or boxes are provided. The tie-rods shall have lock-nuts at each end secured by cotter-pins.

“ Rule 9—Suspension Means

“(a) Suspension means for power dumb-waiters shall be of metal. Suspension means may consist of a single member.

“(b) The minimum factor of safety of the suspension means for power dumb-waiters shall be at least the values given in the following table corresponding to the contract speed of the car. The minimum factor of safety for tapes shall be twenty-five (25) per cent greater than that given in the following table.

“ Minimum Factor of Safety for Suspension Means for Power Dumb-waiter

Rated Speed (Ft. per Min.)	Factor of Safety (Except for Tapes)
1 to 50	5.0
51 to 75	5.2
76 to 100	5.3
101 to 150	5.4
151 to 200	5.6
201 to 250	5.8
251 to 300	6.1
301 to 350	6.3
351 to 400	6.5
401 to 450	6.8
451 to 500	7.0

“(c) Lengthening or repairing the car or counter-weight suspension means of power dumb-waiters by splicing is forbidden.

“(d) The winding-drum, ends of the car, and counter-weight suspension means shall be secured by clamps or sockets inside the winding-drum. Suspension means secured to a winding-drum shall have at least one turn on the winding-drum when the car or counter-weight has reached the extreme limit of its overtravel.

*“ Rule 10—Control and Safety Devices*  
“(a) Power dumb-waiters shall be equipped with brakes which are automatically applied when the power is cut off the motor.  
“(b) Power dumb-waiters operated by winding-drum machines shall be provided with a slack-cable device which will cut off the power and stop the machine if the car is obstructed in its descent.  
“(c) Power dumb-waiters shall be provided with means to stop the car automatically at each terminal within the limits of overtravel.

“ FIELD TESTS OF DUMB-WAITERS

*“ Rule 11—Test of Contract Load and Safety Devices*  
“ A test shall be made of every new dumb-waiter with rated load in the car, and the brake and all other safety devices shall be caused to function.”

## LEGISLATIVE ASSEMBLY

## PRIVATE BILLS

EXCERPT FROM STANDING ORDERS RELATING TO  
PRIVATE BILLS

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session:—

(a) A printed copy of such Bill;

(b) A copy of the petition to be presented to the House;

(c) Copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring  $10\frac{3}{4}$  inches by  $7\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Dated January 5th, 1949.

E. K. DEBECK,  
Clerk, Legislative Assembly.

The authorized capital of the Company is twenty-five thousand dollars, divided into two thousand five hundred preference shares of ten dollars each.

The Company is also authorized to issue two thousand five thousand shares without nominal or par value.

The address of its registered office is Room 18, 716 Cambie Street, Vancouver, B.C.

The objects for which the Company is established are:—

(a) To acquire and take over as a going concern the business now or heretofore carried on in the Province of British Columbia, under the firm name and style of Century Sales, and all or any of the undertaking, assets, and liabilities of the proprietor or proprietors of that business in connection therewith, and all right, title, and interest of any person, firm, or corporation of, in, and to such assets and of or for such business, and with a view thereto to enter into any agreement or agreements necessary, requisite, or desirable in order to effect the foregoing objects or any of them:

(b) To carry on the business of brokers, agents, and factors in all their respective branches, including, but without affecting the generality of the foregoing, manufacturers' agents, sales agents, commission agents, forwarding agents, import and export brokers in respect of goods and merchandise of every kind and description whatsoever, and for or with respect to any person, firm, or corporation anywhere in the world:

(c) To carry on the business of importers, exporters, dealers in goods and merchandise of every description whatsoever, charterers of ships and other vessels, warehousemen, manufacturers, merchants, forwarding agents, and to do all or any of same, either alone or in conjunction with, or as factors, trustees, or agents for any other companies or persons or by or through any factors, trustees, or agents:

(d) Subject to the "Engineering Profession Act," to carry on the business of mechanical, civil, hydraulic, and electrical engineers, contractors, iron-founders, tool-makers, brass-founders, metalworkers, boiler-makers, millwrights, machinists, iron and steel converters, smiths, woodworkers, builders, painters, metallurgists, carriers, and to buy, sell, manufacture, repair, convert, alter, let on hire, install, and otherwise deal in, in any manner whatsoever, machinery of all kinds and descriptions, electrical goods of all kinds and descriptions, sewing machines, heating equipment, plumbing equipment, parts, manufactured goods of all kinds and descriptions:

(e) To furnish and provide deposits and funds required in relation to any tender or application for any contract, concession, decree, enactment, property, or privilege, or in relation to the carrying-out of any contract, concession, decree, or enactment:

(f) To accumulate capital for any of the purposes of the Company, and to appropriate any of the Company's assets to specific purposes, either conditionally or unconditionally, and to admit any class or section of those who have any dealings with the Company to any share in the profits thereof, or in the profits of any particular branch of the Company's business, or to any other special rights, privileges, advantages, or benefits:

(g) To carry on business as general merchants and dealers in all manufactured goods, materials, provisions, and produce whatsoever:

(h) To sell, exchange, lease, mortgage, or otherwise deal with lands, rights, or other property or effects of the Company, or any part thereof, of any kind or nature whatsoever, or the undertaking of the Company, or any part thereof, either to individual persons or companies, with power to accept shares or debentures in other companies, and (in case of shares) either wholly or partly paid up, as consideration for the above, and to hold, sell, or otherwise dispose of such debentures and shares as may be deemed most expedient; to promote or assist in promoting any company or companies, joint-stock companies, or societies, anonymes, for the purpose of taking over, acquiring, or working any property and liabilities of the Company, or for any other purposes which may seem, directly or indirectly, calculated to benefit the Company; to take or otherwise acquire and hold, sell, or otherwise dispose of shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as, directly or indirectly, to benefit this Company:

(i) To loan money upon the security of any and all kinds and descriptions of real and personal property, wheresoever situated, and particularly, but without affecting the generality of the foregoing, mortgages (whether first or subsequent) and agreements for sale of either real or personal property, stocks, shares, debenture stocks and bonds, debentures, bonds, charter-parties, bills of exchange, bills of lading, deposit receipts, contracts, warrants, and any other negotiable or transferable interests, documents, or securities:

(j) To guarantee and become surety for the performance of any contract, obligation, or undertaking made or to be made by any person, firm, or corporation whatsoever, and to secure the performance thereof by mortgage or charge on all or

any of the property or assets of the Company, including its unpaid or uncalled capital for the time being, or in any other manner whatsoever. Provided that nothing herein contained shall confer on the Company the powers of any insurance company within the meaning of the "Insurance Act," chapter 164, "Revised Statutes of British Columbia, 1948":

(k) To amalgamate with any person or persons, or any company established for objects altogether or in part similar to the objects of this Company, or otherwise, and for such consideration, either in shares or debentures of another company or cash, as the Company may think fit, and to take or otherwise acquire and hold shares in any other company having objects altogether or in part similar to those of this Company, or carrying on any business capable of being conducted so as to, directly or indirectly, benefit this Company:

(l) To make loans to the Company's shareholders or directors on such terms as to security and at such rate of interest as the directors of the Company may approve.

PROVINCE OF BRITISH COLUMBIA.

No. 3822.

I HEREBY CERTIFY that "Christian Brethren of Duncan" has this day been incorporated as a Society under the "Societies Act."

The locality in which the operations of the Society will be chiefly carried on is Duncan, in the Province of British Columbia.

Given under my hand and seal of office at Victoria, Province of British Columbia, this twenty-ninth day of September, one thousand nine hundred and fifty.

[L.S.]

S. W. TAYLOR,  
*Registrar of Companies.*

The objects of the Society are to advance the following doctrines:—

(1) The divine inspiration, authority, and sufficiency of the Holy Scriptures:

(2) The unity of the Godhead, with the distinction of persons in that unity namely the Father, and the Son, and the Holy Spirit, to whom equal honour is due:

(3) (a) That the Son of God truly became man, begotten of the Holy Spirit, and born of the Virgin Mary; (b) that His death was a sacrifice to God and a propitiation for the remission of sins; (c) that He was raised from the dead; (d) that He ascended to the right hand of God, and is now the all sufficient High Priest of His people; (e) that He will come again to receive His people unto Himself, and to set up His Kingdom:

(4) That in consequence of the fall of Adam, man became lost and at enmity against God; that he is also without strength to do the will of God:

(5) The need of the Holy Spirit's work in regeneration and sanctification:

(6) (a) That the justification of the sinner before God is by faith alone; (b) that every justified one is also born of God; (c) that such new birth results in and is made evident by holiness of life and good works:

(7) (a) That at death the spirit of man does not cease to exist or become unconscious; (b) that the dead will be raised either to life or to condemnation, and that the blessedness of the righteous and the punishment of the unrighteous will be alike eternal.
